11:12 AM **me**: lol
that's a good price
11:13 AM **Caleb**: Should I buy them?
me: I'm editing the preface for this Pat Stack producer/actor fellow's book
and I kind of wish I was dead
Caleb: Never heard of him.
11:14 AM **me**: he was in Rambo
not particularly famous
Caleb: Right.
me: he went on to sell ads for Yahoo
Caleb: That guy.
me: yeah
11:15 AM preface is largely about how, when he was a kid, he would rake the leaves and then his dad would burn them and this would provide the requisite production value for him pretending to be some cowboy in some smoky cowboy town
this is intended to provide the reader with a glimpse into the mind of an actor
11:20 AM **Caleb**: http://www.journalismjobs.com/Job_Listing.cfm?JobID=1169740
